Subject: 70F/7LB letters.

Attached are the corrected letters. Except for the graphic resolution, all items have been corrected. The process to change the resolution from screen to print quality is time consuming. I ask that you bear with us. We will provide a high quality PDF version prior to sending the Quark files to press so that we only have to do this step once. The graphic resolution will be the same for the Spanish as well, until the final version.

Thank you for your understanding.
